## Support, Connect, Engage

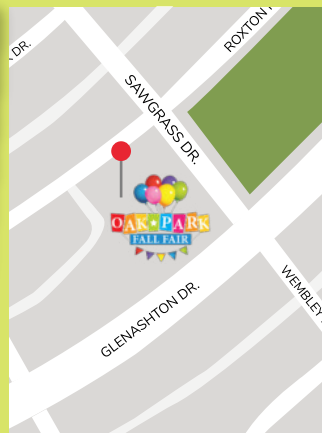

People Belong, Families are Strong, Neighbours Care, Everyone Shares

For over 27 years, Oak Park Neighbourhood Centre (registered charity) has offered diverse programs and resources that Support, Connect and Engage the community. Last year alone, we served 5200 people with infant, family, youth, adult & senior programs, poverty supports, family programs, homeless supports, disability supports, financial literacy, and everything in between.

Our centre is a non-institutional, barrier-free space that welcomes everyone. It's a reflection of the needs, talents, and strengths of all our neighbours and friends. **We are an agency that steps up when there are no resources available for people who are struggling.** We advocate to find a solution so that people can get back on their feet with dignity. As always, we are here to build stability and community, to ensure that People Belong, Families are Strong, Neighbours Care and Everyone Shares. If you haven't already... come join us in making a difference.
